Dear Ms. Van Houten:

I received your letter regarding the recent court decision against your brother and sister in-law for billing fraud and I appreciate you contacting our office seeking assistance on their behalf.

Unfortunately, our office does not have any jurisdiction when it comes to matters of the court. Considering the several points you brought up in your letter, your brother may want to appeal the sentences handed down to him and his wife. Regarding the issues dealing with reforming our health care system, I have forward your concerns to our Washington, DC office for their review.

If we can be of any other assistance, please do not hesitate to contact our Anchorage office.

Sincerely,

A handwritten signature in blue ink that reads "Gregory Kaplan".

Gregory Kaplan  
Deputy District Director  
Office of Congressman Don Young
